SchnitzelFest

The new Board will be installed during our Schnitzel Dinner on January 21st. This is traditionally our largest dinner of the year. Details are in this Newsletter. We encourage you to support this event –come and meet your 2023 Board and fellow members.

State of the DLT

Reports by Board members at the Annual Meeting provided an overview of specific activities/conditions within each area. These are detailed in the [Minutes](#) that are available for review. The DLT is in good shape and

faring better by almost every measure than we have in some years. As ever, challenges remain including finding a new Hausmeister, getting members to accept some responsibility and help run the organization, growing the choir and dance groups, and the ever- present maintenance and repair of the facility.

Dues

Membership dues are critical for the financial stability of the DLT. With a dues structure that has not changed in 15 years – there is no better bargain around for being part of a first- class organization like the DLT. So please remit ASAP if you have not already done so.

German Classes

Registration is open for our intermediate German Class. Please contact Monika Wanamaker at mewanamaker511@gmail.com if interested. Class is expected to begin in mid to late February. The fee for members is only \$50.

Our first meeting of the new year will be a Work/Share session using DLT member case studies. We meet on Saturday, January 28, 2023 at 1:00 p.m. in the Liederkrantz great hall. Weather forecasting is uncertain. The weather may be as it is today, "56°F" with rain or it may be like last week on Friday "-8°F or -22°C" with snow and 40 m.p.h. winds. If the weather is mild we'll meet. If it's a blizzard stay home, needless to say.

Best Regards,
