## Kurz und Süß

With less than a month to go until opening night for our GermanFest, most all club activities, operations, etc. take a back seat to Picnic necessities. All sorts of 'last minute' items require almost immediate attention leaving little time for much else. So my column is as stated in the header.

One "hot off the press" development from tonight's Semi Annual meeting is that the current dues structure was continued for 2023. There has been no change to our dues levels since 2005!

## GERMANFEST PICNIC 2022

Our FINAL Picnic planning meeting will be held on Tuesday, July 19 th at 7PM.

This will represent a last chance to get up to speed on activities, needs, procedures contacts, etc.—even just to get involved where you would fit best. It's time to place your YARD SIGNS in prominent locations. Signs are still available at the DLT.

Open volunteer slots that must be addressed to ensure a successful GermanFest are listed on the [Picnic website](#). It provides an avenue for volunteering and obtaining further information.

## German Genealogy Group

In the DLT great hall, on Saturday, July 23, 2022 at 1:00 P.M. we will have a Genealogy session ***using your computer.***

We will be using Case Studies to practice finding the answers faster and more efficiently. This will help you do your own family searches, and it will help you become more proficient as a volunteer at the Germanfest picnic.

You will be able to get a better idea of where our volunteer genealogists will be working on the picnic weekend. Beer and Soda are available for purchase. Let's get ready for the Germanfest Picnic, hone our German Genealogy searching skills, and have some fun at the same time!
